

Objective

Aspiring civil engineer currently pursuing a bachelor's degree at Pulchowk Campus, with a strong academic background and growing technical expertise. Seeking to contribute to the engineering field through continuous learning, innovation, and collaboration.

Education

- 2024–2028 **Bachelor in Civil Engineering**, *Institute of Engineering, Pulchowk Campus*, Lalitpur, Nepal
Ongoing undergraduate study in civil engineering.
- 2023 **Higher Secondary Education (Grade 12)**, *Valmiki Shikshya Sadan*, Chitwan, Nepal
GPA: 3.60 / 4.00
- 2021 **Secondary Education (Grade 10)**, *Little Flower School*, Chitwan, Nepal
GPA: 3.85 / 4.00

Experience

- 2025–Present **Executive Member**, *Civil Engineering Student Society (CESS)*, Pulchowk Campus
Organized academic and technical events. Actively collaborated with peers to manage student-led initiatives.

Extracurricular Activities

- 2025 Participant, **Shaketable Competition** organized by CESS, Pulchowk Campus
- 2025 Participant, **Floatcrete Competition** organized by CESS, Pulchowk Campus
- 2025 Participant, **AutoCAD Competition** organized by CESS, Pulchowk Campus

Volunteering

- 2025 Volunteer, **Project Nyano** organized by Kathmandu Valley Leo Club – Assisted in distributing warm clothes to the Chepang community.

Technical Skills

- Software AutoCAD, Revit, SketchUp
- Programming Python (NumPy, Matplotlib)
- Learning ETABS (Structural Analysis), LaTeX (Technical Writing)

Languages

- Nepali Native
- English Fluent

Interests

- Fields Structural Design, BIM Modeling, Sustainable Construction
